Special Discount

County school districts paying one lump sum to enroll ALL eligible schools in their district qualify for a 15% discount. If a school district elects to take the 15% discount, payment must be paid by one (1) check.

Non-public schools within one county or defined organizational structure (diocese, parish, etc.) containing several schools eligible for enrollment can qualify for 15% discount. If a group of non-public schools within a county or defined organizational structure desire to receive the 15% discount, payment must be made for all eligible schools by one (1) check.

Late Enrollments

No enrollments will be accepted after a September 15 postmark, unless the principal can demonstrate extenuating circumstances. All payments must be completed by September 15.

Purchase Orders

FSMA will accept purchase orders and invoice the district business office directly. **Purchase orders should be received by FSMA no later than August 1st** to allow processing time by both FSMA and the district's business office.

Submission of a **purchase order is not** considered payment. Payment by check must be postmarked no later than **September 15**.

Note 1: For combination schools (K-12, K-8, 6-12, etc.) count the number of students from 6th grade up to determine dues. Combination schools pay only one fee.

Note 2: If two schools reside on one campus (e.g. middle school and high school) and share the same music director, then pay combination dues. If each school on the campus has a separate music program with separate music directors, then each school must pay separately to be members.
